AFFILIATE PROGRAM

NO Selling Required

- Receive recurring commissions of up to **\$250/referral/year** while helping practitioners to improve the efficiency and profitability of their practices.
- Simply introduce Nutralysis and our Nutritional Practice Management Software to practitioners who provide nutritional supplement services in their practice.
- Nutralysis makes the introduction easy by providing you with customized handouts and flyers which direct your practitioners to sign-up for a **FREE 60-Day Software Trial** and a **FREE Software Training Session**.
- Practitioners sign-up online for the **FREE Trial & Training** using a unique 4-digit code which ties them back to you. To ensure use of this code, practitioners are offered a **\$50.00 discount** should they ultimately purchase a software subscription.
- Once signed up, it is our team's responsibility to transition the practitioner from the end of their **FREE Trial** to the beginning of their paid subscription plan.
- Practitioners may include chiropractors, medical doctors, homeopaths, naturopaths, nutritionists, acupuncturists, herbalists, craniosacral therapists or any other health care professional utilizing nutritional supplementation.

A Perpetual, Passive & Growing Income

- When a practitioner signs up for a **Free Trial & Training** using your code, you are immediately notified of the action via email.
- When your coded practitioner purchases a software subscription, you are once again notified immediately of the action via email.
- Nutralysis is responsible for maintaining the ongoing and day-to-day relationship with your practitioners.
- You just sit back, **month-after-month** and **year-after-year**, receiving **15%** commission on each and every subscription payment made by your coded practitioners for as long as they continue to make subscription payments.
